

Wide Load Notification

Dear Resident,

Please find updated information below regarding wide and abnormal load movements in relation to the Sizewell C Project:

On Tuesday 20 May, there are eleven wide load movements planned.

At 09:00, a dumper truck will be leaving the Temporary Construction Area, and two modular buildings will be delivered to Leiston Airfield.

At 11:00, a delivery of sheet piles is being made to the Main Construction Site.

At 12:00, two modular buildings are being delivered to Leiston Airfield.

At 14:00, a modular building is being delivered to Leiston Airfield.

At 15:00, there will be four deliveries of sheet piles to the Main Construction Site.

On Wednesday 21 May, there are nine wide load movements planned.

At 09:00, two plant machinery are being removed from the Temporary Construction Area and taken away from site.

At 11:00, two deliveries of sheet piles are being made to the Main Construction Area and a delivery of a digger to the Accommodation Campus.

At 14:00, a delivery of plant machinery is being made to the Main Development Site.

At 15:00, two deliveries of sheet piles will arrive at the Main Development Site.

All the above movements will be police escorted and will follow the designated route to site – A12, B1122 East & Lovers Lane.

If you have any queries, there are lots of easy ways to get in touch:
